Subject: FW: Tradebe Draft Permit Renewal

We might need to ask to postpone their draft RCRA permit issuance until the exemption issue has been resolved.

We have a request by HQ for a possible postponement of the state drfat RCRA permit.

It would be better if you can contact Craig Schroer for this request.

Or should we set up a call with IDEM?

Jae

Subject: Tradebe Draft Permit Renewal

I am tentatively planning to issue Tradebe's Draft Permit Renewal by the end of February 2017. I will let you know if we are significantly delayed.

Thanks,

Ruth
